

# Access guide **RENDER**

# Access to Virtual Labs

In order for you to connect to the “Adobe + Autodesk” application, you will first have to access the Virtual Labs web portal of the Universidad Europea.

The link for this is the following:  
<https://virtuallabs.universidadeuropea.es/en/>

# Entering credentials

Afterwards, the access portal to your personal account will appear.

When you get to this point, you will need to enter the credentials that the Universidad Europea provided you.

Typically, most accounts will look like this:

- *XXXXfaculty@live.uem.es (teachers)*
- *XXXXXXXXX@live.uem.es (students)*

# CICG01 selection

When this window appears, you will have to select the virtual machine "CICG01", that is, the one corresponding to "Graphic Cycles".

1 / Select the CICG01 machine.

2 / You must authenticate yourself by entering your user password.

If it does not appear, contact your manager so that they can solve your incident in the shortest possible time.
